The Willamette Valley is in the heart of the renowned Oregon wine country. This is an outstanding place to live and work with so many opportunities for medical professionals and an abundance of activities and events from the great outdoors to the arts. Our family oriented communities feature excellent public and private schools from preschool to post-graduate. Marion and Polk counties have so much beauty and an abundant diversity of activities and events to enjoy all year long. In as little as a two-hour drive or less, you can be in the high desert, 45 minutes to downtown Portland, one hour or less in the mountains or at the beach and in as little as 10 minutes be experiencing a leisurely tour of wineries that abound among the rolling hills of the Willamette Valley. Not to mention, of course, the medical community here is well rounded and diverse with a full range of services.
